

# CONSTRUCTION NOTICE

December 17, 2015

## Construction on 19th Ave at E Union St and E Pike St Stairs to begin week of December 21

Construction of safety improvements on 19th Ave, at the intersection with E Union St and at the E Pike St Stairs, will start the week of December 21. Projects of this type typically take 6 weeks to complete, depending on the weather.

During construction, crews working for the Seattle Department of Transportation (SDOT) will close portions of 19th Ave to traffic on either side of E Union St for approximately 6 weeks. Crews will suspend work and reopen roadways during the Christmas and New Year holiday weekends. Local access will be maintained at all times.

Please see map on back for traffic impacts.

### WHAT TO EXPECT DURING CONSTRUCTION

- Full closure of 19th Ave on the south side of the E Union St intersection.
- Full closure of 19th Ave at the E Pike St Stairs. Access to homes between the E Pike St Stairs and E Union St will be maintained from the south, via E Union St.
- Intermittent parking and lane restrictions on E Union St. A flagger will maintain two-way traffic.
- Full closure of E Pike St Stairs and intermittent sidewalk closures on 19th Ave and E Union St. Pedestrians will be detoured around the work zones.
- Noise, dust, and vibration.
- Weekday work hours, 7 AM to 5 PM.

El equipo del Seattle Department of Transportation iniciará construcción para mejorar la seguridad de los peatones sobre las calles 19th Ave y E Union la semana del 21 de diciembre. Se espera que este proyecto dure seis semanas, dependiendo del clima.

La construcción afectará a las personas que conducen, caminan o andan en bicicleta por esta zona:

- Habrá una restricción temporal de estacionamiento y carriles de tránsito en 19th Ave y E Union.
- 19th Ave estará cerrada temporalmente en la calle E Union.
- Las escaleras de E Pike estarán cerradas temporalmente.
- Habrá desviaciones alrededor de las obras: ¡por favor haga caso a las señales de "Desviación"!

El proyecto tiene como fin añadir mejoras a la seguridad de los peatones en esta intersección, lo cual incluirá extensiones en la guarnición de las aceras que reducirán la distancia de los cruces peatonales y ayudarán a los conductores a ver a las personas que esperan para cruzar la calle.

Si tiene dudas o inquietudes, comuníquese con el equipo de obras a la dirección [NSF@seattle.gov](mailto:NSF@seattle.gov) o llame al teléfono 206-733-9361.

### Outreach during construction

We will post “No Parking” signs to notify property owners and residents of construction impacts. If you would like to receive updates via email, please sign up on the project website, below. If you have questions or concerns, please contact the construction outreach team at [NSF@seattle.gov](mailto:NSF@seattle.gov) or 206-733-9361.
